IncodeVision

OFFER LETTER

Dear GURU CHARAN M,

Student ID: ICV/SEP26/91501

We are pleased to offer you the position of **Artificial Intelligence** Intern at **IncodeVision**. This internship program has been structured to provide you with valuable learning, practical exposure, and an opportunity to strengthen your skills through real-world projects and industry-relevant tasks.

Your internship will commence on **15 Sep, 2026** and conclude on **14 Oct, 2026**, completing a total duration of one month. During this period, you will be involved in project-based assignments and learning-focused tasks that support your overall professional growth.

By accepting this offer, you acknowledge that this internship is purely educational and does not constitute an employment agreement. Completing the program does not guarantee future employment with IncodeVision. You also agree to follow all company guidelines and policies applicable to interns throughout the program.

This letter outlines the full understanding of your internship with IncodeVision and replaces any previous discussions or agreements. Any changes must be made through a written agreement signed by both parties.

We look forward to your participation in the internship program and wish you a productive and rewarding learning experience at IncodeVision.

Thank you,

Team IncodeVision
